DIGITAL PHOTO STORAGE VIEWER  
**COOLWALKER**  
MSV-01

**COOLWALKER — Your 30GB portable photo storage album!**

Compact and lightweight (only 350 grams) — stores approx. 30 gigabytes of digital files.

View your digital snaps anywhere with the 2.5-inch color LCD. Or connect COOLWALKER to a TV and wow family & friends with your photos on the big screen.

COOLWALKER allows image storage in JPEG, TIFF and NEF formats. Data upload can be done via USB 2.0 and COOLWALKER is equipped with a data card slot.

# Packed with features yet easy to carry, simple to use.

**Store up to 10,000\* digital photos on the high-quality 30GB hard disk.**

\*Calculated for 6-megapixel images stored in JPEG FINE format.

**Lets you store and immediately view your photos on the high-quality 2.5-inch TFT color monitor.**

**Transfer photos direct from COOLWALKER to a CF card or to a computer via USB 2.0.**

Note: SD card compatible with CF card type adapter.

**Operation is intuitive thanks to the simple user interface.**

**Compatible with JPEG, TIFF and other major image file formats — including NEF file.**

**A slideshow feature and remote control add up to fun for the whole family when COOLWALKER is connected to your TV.**

**PictBridge compatible — outputs directly to a printer.**

**Light (approx. 350g) and compact (approx. 81 x 130 x 35mm), so you can take COOLWALKER everywhere.**
